

Cute cards

With all the enthusiasm they can muster, members of the Junior Sunday School class at Minden United Church take part in the traditional Christmas Pageant. Announcing the imminent arrival of the shepherds, they proudly display their placards. The display was part of the annual White Gift Service and Pot Luck Supper held Sunday.

Fearrey acclaimed 1987 County Warden

The new Warden for Haliburton County is Dysart Reeve Murray Fearrey. He was chosen for his third term in the county's highest political office, at the inaugural session of county council held Tuesday evening.

The Dysart Reeve was nominated for the position by the deputy reeve of his township, Bill Davis. The nomination was seconded by Bicroft Reeve Bill Howe. No other nominations were offered and so Fearrey was acclaimed to the office. The new Warden replaces Stanhope Reeve Harry

Davis at the head of the county council.

Fearrey outlined an ambitious program for his term as the county warden. His inaugural address covered a number of topics including the council's committee structure. Noting that the 1985 election brought a number of new faces to the county council table, he said these individuals have had an opportunity to become familiar with the concerns at the county level. He said he would be willing to support changes in the committee structure to take advantage of the experience these

individuals had gained in the last year. He told the members of the council he wanted them to be better informed, not as a result of reading the minutes, but through dedication to their positions.

He told the meeting the council would be involved in the creation of the county-wide welfare system. He predicted this project, which was approved earlier this year, will require a great deal of effort on the part of all members of the council.

Fearrey said the council will also have to grapple with the question of the CNR right of way, by either

deciding that it wants to take advantage of the abandoned rail line's recreational potential or dropping the matter altogether.

The Dysart Reeve noted the county had also made a financial commitment to the construction of the 20 bed chronic care hospital planned for land adjacent to the Haliburton Hospital. He said the council must honour that commitment and hopefully retire the obligation quickly.

He also pointed out that Haliburton County is the only one in the province served by four full-time ambulance attendants. Fearrey noted that with the population and area served, and the increasing proportion of seniors in the county, increases in full-time manpower must be sought.

Pointing out that Haliburton County is no longer a "creature of Victoria County" (judicially) it was time for the council to press for the building of a county court house. He admitted this effort may take time, but the council should start working on it immediately.

The new Warden also called for a closer liaison with the provincial Ministry of Industry. He said the county council must speak for the county rather than having a number of separate voices, as is the case now.

In other matters, the new Warden called for an

increase in the presence of Sir Sanford Fleming College in the county and better service for those seeking drivers licence examinations. On the latter item, he said there was enough work in the county to keep a single examiner busy on a full-time basis rather than relying on the present scheduling which forces individuals to travel to Huntsville or other locations to obtain their licences.

In closing he said, "This

might be my last chance as Warden. We as a council can take a regional or personal attitude as councillors, but we must work together as a county."

Fearrey paid tribute to the outgoing Warden Harry Davis for his year of hard work. "He has been a good ambassador for our county," he said.

The council meets today to strike its committees for the coming year. The first working session begins at 1 p.m. today.

McCausland receives second transplant

Glamorgan Reeve Bob McCausland has received a second heart and is reported to be progressing well, following an operation last Thursday morning. The second transplant was required after the first implanted organ was being rejected by his body.

The rejection began on Wednesday and resulted in the doctors at the hospital issuing what is called a Code Nine request to medical facilities across North America. Fortunately, a suitable replacement heart became available in New Brunswick and a team of

doctors was dispatched to remove the heart and return with it to Toronto.

The operation to implant the second heart was started at 3 o'clock Thursday morning and was completed three and a half hours later.

McCausland received his first heart in an operation November 29. He had been told earlier this year that the operation would be required to replace his heart which had suffered serious damage as a result of two massive heart attacks.

The Gooderham resident appeared to be progressing well after the first operation

and was reported to have been up and walking about a week after the operation.

According to a spokesperson for the hospital, McCausland is now described as being in stable condition. The official said he was scheduled to be moved from the intensive care unit of the hospital to a regular nursing unit, an indication that the doctors feel the patient is progressing well. He will be continually monitored for further signs of rejection by his body to the new organ.

Members of the man's family have been with him throughout the latest crisis.

The Times holiday hours

During the festive season, there will be a number of changes in The Times publishing schedule. Advertisers and readers are asked to note these changes and holiday period deadlines:

Saturday December 20, deadline for December 22 issue of The Times.

Monday, December 22, Christmas week issue of The Times.

Tuesday December 23, The Times office closed at noon.

December 24, 25, 26, The Times office closed.

Saturday December 27, deadline for December 29 issue of The Times.

Monday, December 29, New Year's issue of The Times.

Tuesday December 30, regular office hours.

Wednesday December 31 and January 1, The Times office will be closed.

Friday, January 2, regular office hours.

Normal deadlines, publication days and office hours will return starting January 5.

Wishing you the best for the holiday season from everyone at The Times.

Minden B.I.A. presents

CHRISTMAS

in the village

a celebration
of the Christmas tradition
in Minden

Events to Watch for

December 17: Christmas meeting of Minden Women's Institute 2 p.m. at the United Church.

- CHACE Place Christmas Party. Santa will visit so please bring a small wrapped gift for your child. 10:30 a.m. - 1 p.m. Pot luck lunch and carol sing.

December 21: Zion United Church Choir presents "God's Perfect Gift", a musical celebration of the season, 7:30 p.m. at the church in Carnarvon.

- Minden Fellowship Baptist Church presents "Christmas is a Time" Christmas program. Carol sing at 6:30 p.m., program begins at 7 p.m.

- St. Paul's Anglican Church Christmas Pageant at Hyland Crest auditorium at 4 p.m.

December 22: Zion United Church Choir presents "God's Perfect Gift", a musical celebration of the season, 7:30 p.m. at Eagle Lake Community Church.

COMING UP

- The Christmas Sale of Arts and Crafts continues at the Agnes Jamieson Gallery until December 20.

- FREE Babysitting every Friday night - 6 p.m. to 9 p.m. at CHACE Place in downtown Minden.

- FREE horsedrawn sleigh rides - Saturdays 10 a.m. to 12 noon, 1 p.m. to 3 p.m.

One Little Candle

Be a part of Christmas in the Village by placing a candle in your window. Single electric candles are still available for \$1.50 at Stedmans, Minden Home Hardware and Minden I.D.A.

One candle will bring light to your life ... many candles will light up the world.

'TIS THE SEASON

Marilyn Stouffer with plaid scarf, leads members of the Haliburton Highlands Guild of Fine Arts Choral Society during the carol singing Friday on the village green in Minden. One more evening of singing is planned for this Friday when members of the Minden United and Anglican Churches choirs will lead the community in song.

Dashing through the snow

Saturday youngsters and adults will be invited to experience an old time Christmas tradition with FREE horse drawn sleigh rides. The sleigh will leave from the village green,

across from Minden Home All on Peck Street between 10 a.m. and 12 noon and 1 p.m. and 3 p.m., weather permitting.

The Christmas tradition

One of the highlights of the Christmas season a number of years ago in Minden was the annual theatre party sponsored by the Rotary Club of the community. This Saturday, that tradition returns to the Beaver Theatre.

The Rotary Club of Minden is happy to present a special program of free movies for children (of all ages) starting at 1 p.m. Two full length movies will be shown, featuring those loveable characters, the Care Bears.

Following the movies, Santa Claus will be in attendance to greet the children and hand out special treats.

There is no charge for this special afternoon. The first movie will start at 1 p.m. The entire afternoon should be over around 4 p.m.

Sing out

The third in a series of Minden Christmas in the Village Community Carol sings will take place Friday evening, December 19. The general public is invited to join the members of St. Paul's Anglican and Minden United Church choirs as they lead us in traditional hymns of the season. The carol sing begins at 7:15 p.m. Free hot chocolate will be available for all participants with the Minden Figure Skating Club serving. Bring the whole family and be a part of Christmas in the Village.

Ambulance strike could hurt local service

Though a number of Ontario ambulance services are threatening a Christmas strike, the Minden ambulance service - which covers western Haliburton and northern Victoria counties - will stay on the job.

Minden ambulance supervisor Rob Luke however said his men may have a tough time if they are called to help out in nearby districts where the ambulance services are striking, like Lindsay. "In that situation of course we'll be affected," Luke said in an interview.

The strike is the result of a

pay dispute between the Ambulance Operators' Association and the Ministry of Health, which is the primary source of funding for ambulance services in Ontario. The ministry runs nine services directly - most are in larger cities - and pays its operators considerably more than it pays those working for private companies or municipalities.

Ambulance services in Lindsay, Hawkesbury, Orleans, Trenton, Port Colborne, Grimsby, and Collingwood are threatening to strike starting at

Christmas unless the government offers more money.

The situation was aggravated when the ministry gave its own operators a 15 per cent pay increase over 1986/87 but allowed the other operators only an 8 per cent increase over the same period.

"The situation is black and white," said Luke. "We're doing the same work as the ministry ambulance operators, but we don't get nearly the same pay. The government just isn't living up to its dictum of equal pay for equal work of equal value."

But Luke added that the worst problem facing his service is a shortage of manpower rather than pay. "We have two full-time and six part-time attendants. To cover our district adequately we need at least two more

men."

As a result of the lack of manpower, the Minden service is frequently strained during times of many emergencies, Luke said.

"And the more popular this area becomes among vacationers, the more emergencies we have to respond to," he said.

Luke explained that the most important effect of the manpower shortage is that it takes his men longer to reach emergencies than it would if the service were properly staffed.

He said he has spoken about the lack of men and

the problem of pay to Victoria - Haliburton MPP John Eakins and has sent letters to Minister of Health M. Elston.

Asked what action Eakins is taking, the minister's aid Guy Skipworth said Eakins has raised the matter with the Health Minister both in writing and in the Legislative. Skipworth said he is optimistic that in 1988 the Health Ministry will try to increase the pay of all regional ambulance workers in the province and will do something about the manpower shortage in Minden.

Project will help employment

Anson, Hindon and Minden council is considering a plan to clean out 100 acres of forest land around the Ingoldsby dump owned by the municipality. The main purpose would be to create jobs, said Reeve Sinc Nesbitt at the December 9 meeting, but the cost of the project could be supported by profits from the sale of wood cut.

Nesbitt said the work would be carried out this winter and part of next, by six or eight people and a team of horses. It is planned for the winter for that is when unemployment is most serious - frequently as high as 20 per cent.

"I think you have to help yourself if you want to get ahead," he said. "If we manage this thing well, it'll pay for itself."

He explained that instead of clearing all the trees, the work crew would just thin them, leaving trees

12 to 14 inches in diameter every 20 feet. That way the land is easily accessible to hikers and the remaining trees can grow to maturity more quickly.

Acid rain report

The following incidents of precipitation were recorded during the past week at the Ontario Ministry of Environment acid rain testing station at Dorset and compiled by Environment Canada.

- December 7, 9 cm of snow, pH 4.4, from Illinois, Michigan and southern Ontario.

- December 9, 13 cm of mixed snow and rain, pH 4.7, from Tennessee, Kentucky, Indiana, Ohio and southern Ontario.

- December 10, 2 cm of snow, pH 4.8, from Minnesota, Wisconsin, Michigan and central Ontario.

- December 11, 3 cm of

snow, pH 4.3, from Illinois, Michigan and southern Ontario.

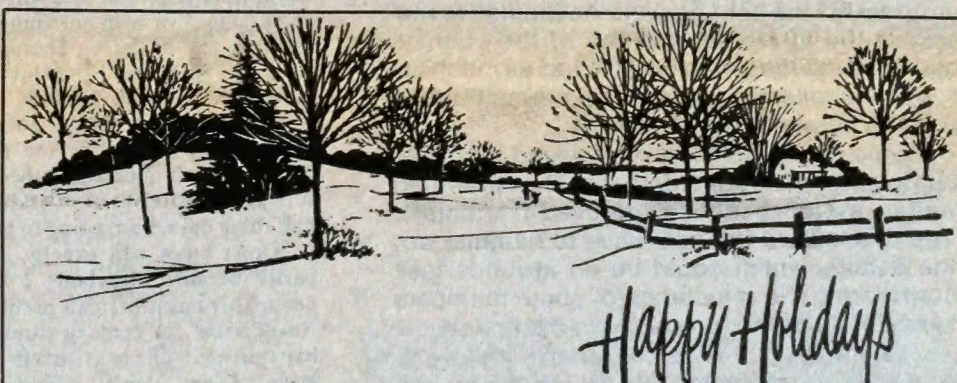

Environmental damage is usually observed in sensitive areas regularly receiving precipitation with pH less than 4.7. Readings of 4.0 pH or less are considered dangerous. The lower the reading, the more acidic the precipitation.

There will be no acid rain report during the next two issues of The Times due to the change in the holiday publishing schedules. A recap of the events missed during this time will be provided with the first issue of The Times in the new year.

In the rush of events, we tend to overlook the important friendships that are the true basis of business relationships. One of the great pleasures of the Holiday Season is the opportunity to exchange greetings with those whose friendship and goodwill are valued so highly.

In this spirit it is a pleasure to say "Thank You" and extend sincere appreciation for the very pleasant association enjoyed with you.

May a bright and prosperous New Year bring happiness to you and to yours.

A fresh start

The county's new Warden, Dysart Reeve Murray Fearrey, has outlined an ambitious program for the coming year. Acclaimed to the post at the inaugural meeting of the council last night, the incoming warden has as much as issued a challenge to his fellow councillors to give the county a higher profile.

Some of the items have received tentative approval of the county fathers. The revamped welfare system has been approved in principle. The councillors will now have to hammer out the details, which could be an arduous task considering the reluctance of some members to see the system introduced in the first place.

We commend the new Warden's resolve to come to grips with the question of the abandoned CNR rail line. The strip of land is a natural recreational resource that should be used to enhance the county's attractiveness. Hopefully the council will not allow it to be lost forever.

Injecting new life into the council committees will require fresh dedication from all members of council.

The need for additional full-time ambulance attendants has been reiterated before. Steps must be taken to ensure the province is made aware of this glaring need and that it is rectified as quickly as possible.

The warden has called for a county attitude and outlook on the part of all members of the council. He told the meeting that councillors must set aside regional and personal differences to achieve the common good. The surest way to achieve this is to ensure the benefits from such an effort are shared as equitably as possible across the ten municipalities. Assured of fair treatment that recognizes all areas of the county, not only as contributors to the betterment, but recipients as well, will help to bring all shoulders to the wheel.

The municipal election system isolates voters to a participatory role every three years. Within that, the selection of the warden each year, offers a chance for a fresh start. Warden Fearrey has struck a positive aggressive agenda which, if seen to completion, will help keep the county moving forward. We wish him well.

Rural snowscape.

Bit and byte phobia

- by Arthur Black -

Puh leeze haylp me, ah'm faaaaaallllin'.. Remember that nasal refrain? It's the title of an old Country and Western ditty sung by Ferlin Husky or Leroy Van Dyke or some such adenoidal crooner of the feathered-stetson-and-beat-up-guitar persuasion. I've been humming it under my breath a fair bit lately, because, Lord help me, I'm a-fallin' too. Not in love, exactly. It's more like I'm being seduced.

By computers. I am going to buy a computer. I don't like the things and I certainly don't understand them, but just as sure as Santa's elves are working time and a half these days, I am going to buy one soon.

Don't know why exactly. I suppose it's partly because everybody I know in the newspaper business treats me like a shuffling Neanderthal for clinging stubbornly to my battered and un-electrified Olivetti. What's more, I am slowly coming around to appreciation of the idea that a floppy disc might be a more convenient way to file old columns and story ideas than the Duz Detergent cardboard box I currently employ.

My boss is in favour too. When I mentioned my intentions, the Editor You Love to Hate darned near slopped some of the Bay Rum aftershave out of the chipped coffee cup he carries around.

"Good idea!" he burred. "In fact, it's a great idea! Just be sure to insist on a model that can — you know — proofread your columns and correct your spelling and all."

I believe he's trying to tell me something.

At any rate, the signs of an impending purchase are unmistakable. I've been thumbing through computer catalogues a lot, trying to figure out my monitors from my printers from my coaxial duodenal modem cacciatores or whatever they're called. I buttonhole computer owners and ask them for advice. Then I try to figure out what they told me.

There is just one tiny problem in all this: I don't want to buy my own computer right now — for several reasons. Number one, I can't afford it. My state of financial solvency would not sustain a layout of one or two grand just to bring another machine into my life. (As a matter of fact, I am not financially solvent enough to put stamps on my Christmas cards, but that's another story.)

Number two, I sense that it is the wrong time to buy a computer. No profound market analysis there — it's just that I always

buy things at the wrong time. If I was to go out on a Wednesday and become the proud new owner of the best, most popular computer on the market — say, a Golgotha X/500 Deluxe with infinite megabyte capacity and extra-sensory holographic disc drive, you could bet the mortgage money that by Thursday, company shares would have plummeted through the Stock Exchange basement, the chief executive officer of Golgotha would have taken up permanent residence in a Swiss Alps condo and I would be the owner of the most expensive and complicated boat anchor in technological history.

I suffer, you see, from the reverse of King Midas' dread disease — everything I touch instantly turns to dreck. Besides, the computer business is flakey enough on its own. Whole brand names rise up and crash back into the swamp of the marketplace overnight, disappearing without a trace. It would be just my luck to trudge on down to the local Comput-O-rama, lay down my hard-earned credit card and come back home with the computer equivalent of the Edsel.

Those are just a few of the reasons I shouldn't be thinking of buying a computer right now — which in turn is why I keep the credit card I might use for the purpose wrapped in a yellowing scrap of newspaper. I've made a pact with myself to read that scrap of paper before I use the credit card. It's a story about a British computer installed a few years back by the Avon County Council. The computer was to assist in paying wages to Avon County staff, and it did ... sort of. It raised one caretakers wages from 75 pence to £75 per hour. On the other hand, it stoutly refused to pay anything at all to one cafeteria worker for four and a half months. One janitor received the princely sum of £2600 for one week's work. When he valiantly sent the cheque back, the computer instantly printed another one for the same amount and dashed it off to him by return mail. Before somebody finally managed to yank the plug on the beast, it was discovered that of 280 employees on the Avon County payroll, only 8 had been paid the correct salary.

Pablo Picasso, who knew more than just which end of the paintbrush was up, once said "Computers are useless. They can only give you answers."

Yup. And the answers they give you ain't necessarily correct, either.

(Arthur Black is a nationally syndicated columnist who is also heard weekly on CBC Radio).

letters

Editor:

With the Christmas season already in progress, there will be many parties starting. There will be dining, dancing and drinking as well. Some will be sensible, others will get carried away and overdo it. "Be a friend indeed to a friend in need."

- Call a cab.

- Take his or her keys away.

- Offer to take them home if you yourself have decided NOT to drink.

- Offer a place for them to lay down and sleep it off.

Believe it or not, you can be held liable should an accident occur. Being involved with a fatal accident myself, I could be called a hypocrite, or some may think I'm working for sympathy, but I'm just concerned and care very deeply. What happened to me can happen to you. Don't let it happen again. "Be a friend, indeed."

Rita Barry,
Eagle Lake.

Take care this winter

by
John Eakins, MPP

At this time of year we are busy preparing for the holiday season as we make plans to visit friends of family or welcome people into our homes. This is also a time when many in Victoria-Haliburton participate in winter recreational activities.

One of the popular sports is snowmobiling, however, I want to provide a word of caution to those who will be enjoying this popular winter time sport. About 70 per cent of all drivers involved in fatal motorized snow vehicle accidents last year were impaired. Of the 17 fatalities 12 of the snow vehicle drivers were described as "ability impaired" or had been drinking. To me, these statistics prove that, whether it be an automobile or a snowmobile, drinking while impaired kills.

Also, during the period between November 1985 and April 1986, there were a total of 558 on and off-highway accidents involving snow vehicles and my colleague, the Honourable Ed Fulton advises that these figures reflect a 15 per cent increase over last year's 487 accidents. I know that with the number of snowmobile clubs in Haliburton and Victoria Counties, there are many who are working diligently to ensure snowmobiling is a safe activity in our area.

End of the road and a new beginning

by John Greenwood

It's a good bet that each of the hulks in Rick Harding's scrapyard was once someone's pride and joy. But it's hard to imagine.

Hard to imagine that the old blue Grenada with the bullet holes in the front and the door taken off was once the prestige auto of some rising businessman maybe; or that the rotted yellow Nova with the wheels off, used to be a souped-up chariot, owned and waxed daily, possibly by some high school Romeo.

Scattered about the yard like the bones of some enormous prehistoric lizard, these cars aren't going anywhere now. They've come to the end of their road - for the time being at least.

"Yep," says Harding, "I keep them only as long as I can sell stuff off 'em. After that, I put them through the squisher so they can be trucked out to the steel foundry and made into new cars." Or toasters, or can-openers, or garbage cans...

Like a sort of elbow joint in the plumbing of the automobile industry, a scrapyard is a catch-all for the cars that have outlived their usefulness. If we didn't have them there'd soon be a steel shortage and the side roads and driveways of the world would be plugged with dead cars.

Scrapyards make the system work.

Harding's yard is off the beaten track. Hidden away on the outskirts of Minden on a sideroad off the Scotch Line West, it isn't exactly overrun with window shoppers and curio seekers. People who work with cars

With over 300 junked vehicles in his lot, Rick Harding has one of the largest scrapyards in the county.

know where it is. They're the ones who come for parts - Harding sells everything from alternators and engines to car seats - and occasionally to sell cars. He doesn't have to advertise.

As with any respectable scrapyard, his has its share of cats. They started to show up soon after he arrived (He bought the yard about five years ago).

"The cats just came - strays mostly, but sometimes people would just give them to me." With all Harding's recent acquisitions they have an excellent choice of

accommodation. And then of course, there are the mice who prefer to live in the cars.

"I don't really know how many cats live here now," Harding admits. "I guess there must be about seven."

Two healthy-looking greyish brown ones loll underneath an old Impala. Plump and content, they seem to appreciate their vintage auto, despite its lack of transmission. Other cats can be seen peering from within other cars or half hidden in the shrubbery.

"Of course there may be seven cats now," Harding

continues, "but by spring there'll likely only be three. It's the cold that gets them. They can get into the heated office on the coldest winter nights, and I usually leave bowls of food about. But still there are always some that disappear."

And then of course there are Smokey and King, the other two permanent residents of the yard. Visitors are likely to be greeted by King, a large black mongrel who grins like a crocodile as he barks at you, long before they see Harding. Fortunately he's on the end of a thick rope.

Smokey, an equally enthusiastic white German Shepherd, watches over the cars that have yet to be stripped, the ones at the top end of the yard. He makes his home in a comfortably upholstered green Grenada, where he rests across the seat in the absence of strangers. (Of the two watchdogs, Smokey is the more conservative. King has taken up residence in a black Chevy van, wall to wall carpeting and a mirror on the ceiling.)

"I can pet them and my kids can fuss over them, but they won't let anyone else touch them," says Harding. "They just get that way. I guess it's just something to do with being a junkyard dog."

Smokey and King were both given to him since he came to Minden, and they've served him well. He doesn't have problems with parts disappearing from his cars. "I move my dogs around the yard a lot," he adds. That way they don't get bored with their vehicles and would-be burglars are kept guessing.

Harding hesitates to add up the hours he spends at work in an average week. Calls from people looking for parts sometimes begin at 6:30 in the morning and don't stop until 11 at night, though he admits that "It's the early ones that bother me." When he bought the yard from his father five years ago, there were 12 cars. Now there are somewhere in the neighbourhood of 300. And that's after the yard was just recently

cleared of cars that had been stripped and squished.

"That's the only way to make it in the scrap business these days," Harding says. "You have to work hard, especially now that the price of scrap is so low."

In 1981 the bottom fell out of the scrap market. Where dealers were ringing up healthy profits selling scrap back to steel companies at \$100 a ton in the 1970's, they suddenly found themselves having to scrape by on \$25 a ton after the recession hit. Harding estimates that as many as a third of the dealers in Ontario went bankrupt as a result.

But like most businesses in North America, scrap has been picking up over the last few years. Not that the price of squished cars has risen much, says Harding, but there're more customers looking for used parts, more money in the economy. This past summer was his best since he started in Minden.

Harding has learned to be philosophical about his work. Since he went into the scrap business 20 years ago at age 16, he's seen a number of ups and downs. Things tend to go around in circles. First business is excellent and everybody wants what you've got, and then demand begins to drop off. But it always gets better again.

Asked what it is about owning a scrapyard that attracts him, Harding thinks for a bit. "It's just what I do. I've always done it."

What do you think? about vigilante justice

by Bill Kulas

In the wake of four recent shootings by small store owners of would-be robbers, a wild west, shoot 'em up, them or us attitude has taken over many small retail store owners in larger cities. The attitude is spreading and gaining much public favour.

For example, a Montreal editorial had the following write up: Hit by thousands of armed robberies over the past few years, shop owners and retailers are declaring open season on robbers. "Today we can't count on the police or judges anymore," says Henri Ayotte, a convenience store owner. "These guys rob and kill and get away with five years in prison. The consensus is that we have to teach these guys a lesson. Few store owners disagree. They feel besieged.

They have lost faith in the ability of the police to protect them and they view the justice system as plain lax.

Are the recent shootings getting out of hand? Certainly our police officials think so. What is happening is an attitude of taking the law into your own hands. Many questions come to my mind: What if an innocent bystander or even a policeman rushing in on the scene is struck and shot by a stray bullet. The last thing an officer on duty wants to confront during his line of duty is an angry gun toting retailer or homeowner shooting in the dark.

What then is the answer? Should laws concerning acts of crime become more stringent? Should we demand a return of capital punishment? Should the courts take a tougher stand

on criminals, because many feel they have shown too much leniency in many cases over the past few years? Our legal system has a huge obligation toward its law abiding citizens. After all, isn't it the working person and businesses of this great country that are footing the bill for our justice system? You bet they do!

No doubt during the next few weeks our justice system will be forced to intervene in some way as to ensure that vigilante justice does not continue. We certainly don't want to be like the U.S. where everyone has a right to firearms and where the murder rate is amongst the highest in the world, but a person does have a right to defend himself and protect his family. What do you think the answers are? Write to this paper care of the Editor with your opinions.

Harding greets junkyard dog King outside King's Chevy van.

from the chamber

by Shawn Hagerman

On Monday night, December 8, the marketing committee held a meeting of interested resort and Chamber members at Bonnie View Lodge. It was chaired by John Mateer, of Hart Lodge, our Chamber's vice-president, and also the chairman of the marketing committee. The meeting was called in response to the motion passed by our board on November 27.

The meeting began with Art Ward telling how the Friends of Kanawa Museum committee has been started, and asking for the support of businesses within the community. He pointed out that there are many interesting artifacts at the canoe museum, that may be available on a loan basis to interested businesses and resort operators. The importance of this collection being perceived as an attraction, rather than a museum, is an important step to locating it here.

Shirley Rapson followed by giving a brief introduction of our current guide and marketing company, and our relationship with COTA, the Central Ontario Travel Association. John Mateer then distributed a questionnaire with three basic questions. The first question was "Should the Chamber go along with COTA's one year marketing plan?" To this question 16 supported the plan, 2 said no, and 3 were of no opinion.

To the second question, "Should we do our own Guide?" 12 indicated that we should do our own guide, 7 said no, and 2 were of no opinion.

"Should the current marketing company be retained?" resulted in some lively discussion before the final vote. 4 felt the current marketing company should

be retained, 14 felt that it should not, and 3 were of no opinion.

It was decided at the meeting that our up-coming board meeting for December 18 will be moved to December 16. The results of the survey will be discussed at our meeting, and any resolutions coming from the marketing committee will then be able to be taken to the Central Ontario Travel Association meeting of the 17th.

The up-coming Sportsmen's Show, another important aspect of our marketing efforts, was also discussed. In our budget of last spring there were no monies available to attend any shows. Participation in any of these shows was contingent upon the funds being raised by members interested in that promotion. The Chamber would co-ordinate the events, and, if possible, provide the services of our manager.

Shirley Rapson presented her estimation of the various costs to attend different shows. To attend the Sportsmen's Show this year should cost in excess of \$6000. If 20 resorts could participate at \$300 each, then the total could be raised and we'd be able to go. A decision regarding the Sportsmen's Show will soon have to be made as the deposit on the booth is due at this time.

I would like to thank Joyce Waffle, who is on our marketing committee, and her husband, Ted, for graciously hosting the event last Monday night. They provided cheese and refreshments. Among the many positive things that came from the evening, was the spirit of co-operation among the various resorts in our area to help promote the Highlands.

Hannah Joy Forsyth was delighted to discover that Santa Claus had a gift especially for her during the Minden Figure Skating Club's annual Christmas party held at the community's arena. Santa arrived with a well-stocked sack of goodies that included a gift for all the young skaters.

Pair charged with assault

Two Haliburton men have been charged with assault causing bodily harm after an altercation on Saturday, December 13 in the Maple Lake area. Fred Mauby, 35, received a broken nose, cuts and bruises as a result of the altercation with Brian Nicholson, 26 and Floyd Brett Hie, 26. Both Nicholson and Hie are to appear in provincial court Minden on February 4, 1987.

The investigating officer was Constable Dave MacMartin.

Found

A canoe has been found at Winona Lake. The owner may get his property back by contacting the Minden office of the Ontario Provincial Police.

RIDE

During the week of December 8 to 14, the officers on the R.I.D.E. program stopped a total of four hundred and one vehicles for checking. Of this amount, only one 12 hour suspension was issued to the offending driver.

Safe snowmobiling

Last winter 17 people died and 485 were injured in a total of 558 snowmobile accidents across Ontario. Alcohol was a factor in approximately half the fatal accidents according to the Ontario Provincial Police.

Some snowmobilers forget just how vulnerable they are to injury both on and off the road. Unlike a car or truck, the snowmobile offers little protection in the event of a sudden stop or collision. Usually the driver and passenger are thrown off the vehicle.

Off-road accidents occur when snow vehicles strike objects covered by snow

such as rocks and tree stumps. Dips in terrain and wire fences are deadly to snowmobilers. Recklessness and alcohol increase the danger.

Barely frozen lakes and rivers are treacherous when a heavy snowfall covers

them. A snowmobile that plunges through thin ice too often takes its driver and passenger with it.

The OPP find the most common violations include: the lack of safety equipment such as lights and helmets; failure to register the

snowmobile and allowing others to operate it; no insurance; driving across or alongside highways without having an operator's license; disobeying road signs; failure to share the roadway; careless driving and impaired operation.

PIZZA FOR BREAKFAST??

Yes, it's true! From now until January 31, PIZZA (and any other items from our take out menu) can be delivered to your door in the greater Minden area - see map below.

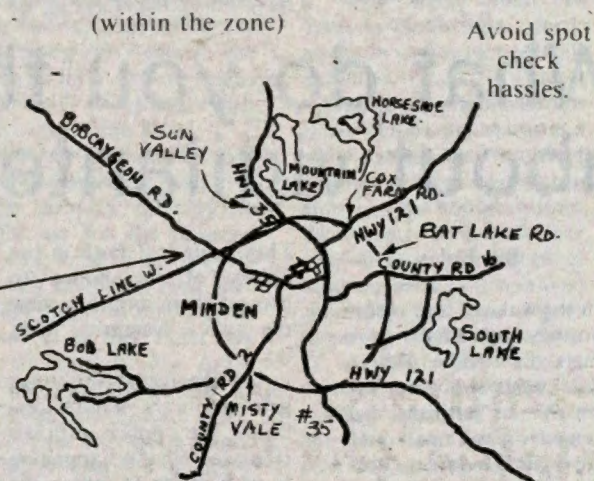

FREE DELIVERY FOR ANY ORDER OVER \$25

(within the zone)

For orders under \$15 - a \$4 delivery charge.

For orders over \$15 but under \$25 - a \$2.50 delivery charge.

Rate for delivery outside this area available on request.

OPEN

Monday, Tuesday,
Wednesday & Thursday - 6:30 a.m. - 7 p.m.
Friday & Saturday - 6:30 a.m. - 1 a.m.
(Closed Sunday)

IF 6:30 a.m. is too early for pizza, we can offer freshly brewed coffee and fresh donuts daily from our take out window.

Stanhope pursues federal funding for airport

Stanhope Council may be a step closer to convincing the federal government to provide funds to upgrade the township's airport.

Friday, November 28, Reeve Harry Davis, councillor Jock Mavor, clerk-treasurer Gerald Bain and airport committee chairman Derek Rolfe visited the offices of Transport Minister John Crosbie in Ottawa where they presented a brief to two of the minister's senior policy advisers.

The purpose of the visit, said Mavor, was to convince the government of the need to upgrade Stanhope airport and to speed up its decision on council's formal application for funding made earlier this year. He added that their reception was very encouraging.

The most important improvement project council hope to carry out on the airport is paving the runway. The 2,650 foot grass airstrip is closed three or four months of the year because of snow and the soft turf that is left when it melts. If it were paved, council say, the runway could be used year round and would also be made safer.

The upgrading plan also calls for lights on the runway, a taxi way and a car park.

The cost of the entire project is estimated at \$940,000. In the brief presented to Transport Canada, the Stanhope delegation proposed that the funds come from the federal and provincial governments and from the township. The

federal government's suggested share was 80 per cent.

"We had planned to speak to Crosbie or whoever is next in line, and in getting the minister's senior advisers that's what we did," said Mavor. The advisers they spoke to were Karen Mosher and Jean Desmarais.

Stanhope council first applied to Transport Canada for aid in 1981, but was turned down because the airport did not meet the ministry's strict requirements. The ministry said the airport gradient was too steep and the trees around it too high. Also, it was not correctly zoned.

Since then these problems have been corrected.

Earlier this year council reapplied for aid from the federal ministry and was offered \$25,000 to carry out a study to determine the cost of upgrading the airport and the benefit to the township.

Part of the reason for the November 28 brief was to persuade the officials in Ottawa to let council bypass the study and put the money directly into the improvement project.

The delegation was told however, that the study had to go through because its results would be part of the application for funding.

Council hopes the study will be completed by the end of February, 1987. The federal government will announce its decision on the funding by the beginning of the following April.

Mavor said he believes the chances of getting the funding look very good.

Planning workshop slated for 1987

Municipal officials from the townships of Stanhope, Lutterworth, Sherborne, and other municipalities have been given invitations to an official plan workshop to be held at the PineStone Inn February 4, 1987, by the provincial Ministry of Housing and the planning firm Totten, Sims, Hubicki Associates.

The purpose of the workshop is to help the municipalities prepare their official plans.

The Ontario Government

is encouraging all municipalities to make an official plan, or statement of how development will proceed

and how land will be used. Essentially, the purpose of a plan is to prevent haphazard development.

Funding for the workshop will come from the ministry and from an admission fee of \$10 paid by each of those who attend.

Only elected officials and municipal administrative staff may go.

Season's Greetings

The International Year of Peace is almost at a close. As we pause to reflect, it is our hope that we continue to work for world peace and harmony.

In Canada, we share a special sense of family and community, particularly at this time of year.

To all - a wish for happiness and prosperity in the coming year.

With 2 members of the visiting St. Peter's hockey team in hot pursuit, two Haliburton Highlands Redmen scramble for the puck Wednesday in a game played at Minden arena. The visitors handed the Redmen their first defeat of the season finishing the game with a 6-2 victory.

Redmen suffer first loss

In a fast and exciting game last Wednesday, the Haliburton Highlands Secondary School Redmen took their first defeat of the season at the hands of the team from St. Peter's at a

score of 6-2.

The game was played in Minden.

In the first period, Haliburton and St. Peter's were neck and neck. Each

vied for the advantage until it was taken by the visitors at six minutes and 20 seconds into the game.

The Redmen held off further scoring attempts for the rest of the period, but St. Peter's managed to break through their defences for three goals early in the second period.

However, Haliburton rallied. A quarter of the way into the second period, Ted Paish, aided by Mike MacNaull and Tran LaRue knocked in the Redmen's first goal of the game. Two minutes later Scott Russell followed with a second Redmen goal. But no more came.

Haliburton kept up a

valiant defence for the rest of the game and managed to hold off all but two St. Peter's goals that came at the start of the third period, making the final score 6-2.

The next two Redmen games will be played in Minden.

Pee Wees, win lose and tie

The Minden Pee Wees have been demonstrating and excellent brand of hockey during the season and in the two weeks, have claimed one victory, a tie and a loss.

The defeat came at the hands of Beaverton when they lost a close 5-2 match. Scoring for Minden were Rob Ackerblade from Jamie Walker and Rob again, this time, unassisted. Aaron Hie was in the net for the Monarchs.

The team travelled to Fenelon Falls December 4, coming away with a 2-2 tie. Phillip Boyle scored the first goal for Minden with the assist going to Rob Ackerblade. Rob added the second marker, this one unassisted.

Back on home turf, the Monarchs managed a convincing 7-2 win over Bobcaygeon. Leading the scoring was Jaime Dollo with a hat trick and a single assist. Jason Scarlett scored two goals and an assist while

Rob Ackerblade notched a pair for the Minden team. Also picking up assists were Phillip Boyle, Oliver Greer and Stephen Beaver. Aaron Hie was between the pipes for the Minden squad.

The Times claims 7-5 victory

As the season of the Minden Men's Recreational Hockey League gains momentum, games become faster - or at least so a number of players were heard to say.

First to take part in last Monday night's action were Vasey Real Estate and The Times. The Times won the game 7-5.

Vasey player Bart Hilhorst knocked in the first goal of the match, assisted by Bern Berry. But The Times came back with a goal by Doug Rae assisted by Brett Austen, also in the first period.

In the second period Vasey player Dave Hartwick notched up the score for his team, assisted by Larry Sawyer. However, The Times came back with three consecutive goals scored by Harold Cowen and Daryl Ward (assist), Jerry Campbell and Doug Rae (assist) and Dave Rogers (assist).

With a score of 4-2 for The Times at the start of the third period, Vasey began an assault that got them two more goals and an even score. Goal getters were Larry Sawyer, Barry Walker and Sawyer (assist).

However again The Times returned the fire, netting two more shots by Darryl Ward and Brett Austen (assist)

and Boomer Stamp and Jerry Campbell.

Vasey's final goal was then put in by Andy Campbell and Barry Walker (assist) and the score was brought to 7-5 for The Times by Doug Rae.

In the second game of the evening, Hartwick Construction smunched Hall's Insurance by a score of 9-2.

Hall's began the scoring with a goal by Bernie Upton. But Hartwick matched with eight in a row. Goal getters were Brian Shaw, Gary Nelson and Cory Walker (assist), Shaw and Trent Lloyd (assist), Sid MacKeigan and Gary Nelson (assist), Dan Read and Nelson (assist), Lloyd and Shaw (assist), Nelson and MacKeigan (assist) with the latter pair scoring two goals.

Hall's came back once more with a goal by Lawrence Lougheed, assisted by Bernie Upton, but Hartwick topped off the scoring with a goal by Shaw, assisted by Lloyd, winning the game 9-2.

The final game of the evening was another trouncing, this time with Rockcliffe Tavern over Home Hardware 16-7.

To set the record straight, Rockcliffe began the game by chalking up the six goals consecutively. They were scored by Barry Boice,

Ready for action, members of the Hartwick Construction and Hall's Insurance hockey teams keep an eye on the puck as it is dropped by the referee during a game Monday night.

assisted by Greg Carpenter, Doug Thain assisted by Jim Keetch, Boice assisted by Kevin Hamilton, Hamilton assisted by Boice, Dave Pettes, Boice assisted by Hamilton.

Home returned the fire with three goals by Dave Crego assisted by Jeff Howe and Dean Hewitt who scored twice.

Coming back on the attack, Rockcliffe notched another three. Goal getters were Hamilton assisted by Boice, Boice assisted by Ted Vasey and Boice assisted by Shaw.

Then Home's Jeff Howe got another for his team.

Rockcliffe resumed their offensive with a goal by Merv Mintz assisted by Doug Thain.

Home matched that with one by Hewitt and Howe, but Rockcliffe's Boice got two more past the Home goalie.

Howe assisted by Hewitt, once again, put another into the Rockcliffe net.

Not to be outdone, Rockcliffe came back with another four. Scorers were Vasey with two, Thain, Boice assisted by Hamilton.

The final goal of the game was knocked in by Home's Howe assisted by Hewitt, bringing the final goal count to 16-7 for Rockcliffe.

Play resumes this Monday at the Minden arena. Hall's takes on Vasey at 7 p.m., it's Hartwick and Rockcliffe at 8:30 p.m. with Home facing off against The Times at 10 p.m. There is no admission charge.

Members of the recently chartered Minden Lioness club enjoyed a dinner at Beaverbrook Golf Club. They are, from the left, front row, Jean Lacey, president, Joyce Wright lioness tamer, Ruth Rice, treasurer and Dorothy Boyd 2nd director. Back row, Ena Marion, member, Olive Hamilton, director, and Kathy Stainton, first vice president. Absent was secretary Velma Stiver and members Lofna Hicks, Mary Beaver and Joanne Newson.

Seniors host first 'spiel

Friendly rivalry was the keynote on Tuesday, December 9, when 64 curlers from the Minden and Haliburton Senior Curling Clubs met in the Minden curling rink for the first of their two annual mixed bonspiels. With home-ice advantage, it was perhaps not surprising that Minden took the lead on this occasion by winning two of the three major events.

The winning rinks were:
First Draw - with 32 1/2 points: Ed Pettinger (skip), Peggy Pettinger, Bill O'Neill, and Jerry Durant -

(Minden).

Second Draw - with 31

1/2 points: Lloyd Boskett (skip), Jack Harrington, Gil Scott and Chris Dollo (Minden).

High Game - with 17 3/4 points - Bruce Armstrong (skip), Eleanor Holmes, Ross Anderson, and Mel Robertson - (Haliburton).

Organization was in the hands of Jim Holmes of

Haliburton, while the social side of the bonspiel was looked after by Bill Donnelly, ably assisted by

Fern Donnelly, Jean McDonald, Muriel Green,

Dave McAdam, Ann Hurta, and Bill Harrison, to all of whom the curlers and club executives express their warmest thanks.

Battle will be resumed when the return bonspiel is

held in mid-January at the Haliburton curling rink, when, with home ice in their

favour, the Haliburton Senior Curlers will be looking for some measure of revenge.

Two wins for Atoms

Minden Atoms extended their winning streak to four games with two big wins this week.

On Monday, December 8 the local boys travelled to Cannington and handed the home team a 12 to 0 defeat. Corbie Kent led Minden with 8 goals and 2 assists. Derek Janke added 2 goals and 2 assists, while other scorers were Dave Ackersblade 1 goal, 2 assists, Jeremy Phillips, 1 goal, 1 assist, John Henderson, 2 assists and David Short and Michael Johnson with 1 assist each. Andrew Sisson recorded the shut-out for Minden.

On Thursday, December 11 the Atoms were on the road again, this time to Little Britain. With regular goaltender Andrew Sisson injured, they had to call up Shayne Hartin from the Tri-County team to fill in. Shayne turned in a good

performance and came 23 seconds away from a shut-out as the Minden team defeated Little Britain 10 to 1.

For the second game in a row Corbie Kent led the attack with 8 goals. Derek Janke did the rest of the damage with the other 2 goals. Assists were added by

Novices win pair in Fenelon

The Novice II's travelled to Fenelon twice this weekend and came away with two exciting wins. On Saturday against Fenelon Falls Minden won 3 - 1, scoring for Minden were Ryan Anderson, Nathan Stephenson and Shamus Donnery. On Sunday against

David Short, Michael Johnson and Dave Ackersblade with 3 each and Chad Connelly, Jeremy Phillips, Derek Janke and Corbie Kent with one each. The Atoms next see action on December 16 in Sunderland and their next home game is on December 20 at 4:00 p.m. when they host Ops.

Fenelon III Minden came away with a well earned 4-0 victory.

Goal getters for Minden were Donald Todd with 3 goals, Chris Kerr a goal and an assist, and Corey Casey with two assists. Both games were good team efforts showing lots of hustle.

UI pension rules changing

- by Bill Scott, MP -

The federal government has announced that the Unemployment Insurance (UI) rules dealing with pension earnings will be changed. These changes will allow workers who take other employment after their retirement and then work long enough to re-qualify for UI benefits to receive those benefits without any deduction of previous pension income.

This change will put more than \$230 million of UI funds back in the pockets of the people affected.

On November 8, 1984 in

the Agenda for Economic Renewal, the Minister of Finance announced the government's intention to treat pension income as earnings for the purposes of determining UI benefits. The government was guided by the principle that persons who have retired should not look to the UI fund as a supplementary source of income. The UI fund is designed to provide wage replacement to those temporarily out of work. The important change in policy announced in November 1984 did not

adequately distinguish between those who retired and left the labour market and those who retired to begin subsequent careers.

Military and RCMP personnel who are required to retire earlier in life best illustrates the point. The changes announced will ensure that people in this group are treated fairly and equitably as active members of the labour force.

Workers who have started subsequent careers and contribute to Unemployment Insurance and subsequently become

unemployed will be entitled to full UI benefits based on their post-retirement employment income, regardless of their previous pension income.

Some retirees who were receiving benefits on January 5, 1986 when the former policy came into effect, were disqualified and, because they had left the labour market, will not be able to qualify.

Notwithstanding the fact that the government made repeated announcements of the policy change following the November 1984 Economic Statement, some of these people allege that they made their retirement decisions on the basis of inaccurate information from federal government sources. To deal with this situation, the Employment Minister is directing the UI Commission to re-examine any such case and restore benefits if the allegation is proven. The Commission's normal adjudication process will apply. This is entirely consistent with the government's action in similar cases in other benefit programs. Legislation to deal with this matter is on the way.

TOWNSHIP OF LUTTERWORTH

Lutterworth Township Office will be closed at noon on December 24 and all day December 26. And also closed at noon December 31 and all day January 2.

Survey underestimates house needs - Pergolas

A recent survey of Minden area housing grossly underestimates the real need for more housing in the area, Ed Pergolas chairman of the Staanworth Non-Profit Housing Corporation has told The Times.

Pergolas said that the survey, conducted over the summer by the Ontario Housing Corporation, "reflects only about 25 percent of the real need for housing in the area."

The survey - the results were just recently tabulated - is part of an application by the Staanworth Housing Corporation for government assisted seniors' apartment units.

Even though the survey reflects only a small part of the real need for housing, Pergolas said it would be sufficient to justify government backing for construction of between 25 and 35 seniors' apartment units in Minden.

"The problem is that people are reluctant to send personal information to a stranger," Pergolas said in an interview. Recipients of survey questionnaires were instructed to send their answers to government offices in Toronto.

"We have a terrible need for rental housing in this area," Pergolas explained. "Some of the places where people are living now should be closed down because they are unfit. I've seen places that people have to live in which would be better suited to a dog," he said. "And, I've visited seniors living in this

area in housing without a toilet and without running water." He added that he was referring not just to seniors' housing.

Pergolas explained that the Staanworth Housing Corporation had also hoped to apply for government financial backing for construction of low-rental

family apartment units. The recent survey however did not reflect a need for such housing so that application will not be made.

One reason the application for the Staanworth Court apartments near the Minden arena went relatively smoothly - the most recent application has

been frustrating, Pergolas said - was because the needs survey was conducted through the Anson, Hindon and Minden municipal office. Survey respondents sent their answers to clerk-treasurer Bev Millar, who, Pergolas explained, is a familiar figure in the municipality and surrounding area.

A special gift for a senior

by Donna Bailey
Executive Director

Are you looking for a special gift for a senior or disabled family member or friend? Why not give a gift that will be appreciated and remembered long after Christmas has come and gone. What we are suggesting is the gift of Meals on Wheels. Each meal that you purchase costs \$2.50. Therefore, for \$7.50 your special person could be visited by friendly Home Support Volunteers who would deliver a hot meal three times in one week. Or if you wish to make it an ongoing gift you may choose to do so.

If you wish to do this please contact our office at

457-2941 any weekday between 9 and 4 p.m. and let us know for whom this gift is to be given. Let us know the day you want it to start. Financial arrangements can be also made at that time. For more information concerning this program or other services offered through Home Support please contact us at 457-2941.

Volunteer drivers are needed in Gooderham and area. If you can help by volunteering some time once a week to deliver meals please contact Donna Bailey, Executive Director at 457-2941.

Our office will be closed Christmas Day and New Year's Day. To all we wish a Very Merry Christmas and all the best in the New Year.

\$62,000 grant to assess market

PineStone Inn and Country Club, Haliburton will conduct a \$62,000 combined project feasibility study and regional market study with the aid of a \$46,900 federal contribution under the Canada-Ontario Tourism Development Agreement.

Bill Scott, M.P. for Victoria-Haliburton said

recently that the study is a vital step in making the resort and the region international calibre tourist destinations.

"We know Haliburton can offer foreign visitors everything they want for a vacation," he added. "This study will help us decide how to make the most of our region's potential."

YOUR HOMETOWN

A great place ... to live, to grow, to shop. With the Christmas season just around the corner, you are no doubt preparing your shopping list. This year, visit local shops and stores first. Local businesses are an important part of your community. They provide services year 'round, are there when you need them and have a wide selection of merchandise. Moreover, local businesses provide employment opportunities, contribute to the welfare of the community and take an active interest in the growth and future of your hometown.

Shop your hometown FIRST.

CONGRATULATIONS

The winner of our fourth HOMETOWN CHRISTMAS weekly draw is Eileen Hughes of R.R. 1, Minden. Eileen wins \$50 cash and her ticket is still eligible for the \$300 grand prize. Eileen filled in her winning ballot at one of the participating Hometown Christmas merchants. Mrs. Joyce Walker of Minden drew the winning entry. You too can be a winner. Fill out a ballot at any of the stores featured on these pages and be a part of our Hometown Christmas.

This Week On T.V.

The listings are supplied by the T.V. stations. While every effort is made to ensure their accuracy, last minute changes may be made by the stations.

Isobel retires after 15 years

Good librarians, as the saying goes, are always hard to find, so Stanhope has good reason to regret the loss of Isobel Gibbs who is retiring after 15 years service as township librarian.

"It's not going to be easy to stop working after all these years," says Isobel. "The library is a beautiful place to work and the time I've spent here has been very gratifying."

When she first started work in the summer of 1970 the library was in a trailer and had a collection of only about 1,000 books. Isobel remembers, "There was an old padlock on the door and on winter mornings I had to defrost it with a match in order to get into the building."

But things have changed since then. In 1976 the library was moved to a permanent building beside the Stanhope Firefighters' Hall and over the years the book collection has increased many fold.

The best change though, says Isobel, is the rise in circulation. "You really feel like you're doing something when you put out a lot of books and we're putting out many more now than in the past."

"That first day we opened 16 years ago we lent out 100 books - I remember Mary Packard, the county librarian, was helping me, and by the end of the evening I had a headache we did so much work."

Over the past summers the Stanhope library has become even more popular, Isobel says. "And while that's good to see, it's also become a strain." So instead of signing out other people's books, as of December 31, Isobel will spend more time reading her own.

Stanhope librarian Isobel Gibbs is retiring after almost sixteen years serving the community.

COUNTY OF HALIBURTON ROADS DEPARTMENT SNOW REMOVAL

The Highway Traffic Act RSO 1980, C198-S147, Revised 1982 states "No person shall park or stand a vehicle on a highway to interfere with the clearing of snow". A constable may have the vehicle removed from the roadway and stored at the owner's expense.

Section 157 states "No person shall deposit snow or ice on a roadway without permission in writing from the road authority responsible for maintenance of the road". The penalty on conviction is a fine of not more than \$50.00.

The co-operation of all motorists in these matters would be appreciated for efficient winter maintenance of County Roads and the safety of others.

depends upon the weight of the individual.

Seagrams has supplied the Haliburton County Information Centre with a handy pocket size card, which gives guidelines to follow, while still enjoying the party.

Please drop into the Municipal Building on Maple St. Haliburton and pick up this very useful item or call 457-2733 and we will forward it to you.

When planning your party, don't forget to include a list of designated drivers. Happy Holidays!

The party season is fast approaching as well as the time our drinking habits are in question.

For years Canadians have been given the impression that spirits are a strong drink, while beer and wine are light. This idea is not only false but dangerous.

The truth is 12 oz. of regular beer, 5 oz. of table wine and 1 1/2 oz. of spirits all contain the same amount of alcohol.

Did you know the amount one can safely consume

Hyland Crest policies and aims outlined

In an effort to rededicate its purposes and direction, the management and administration at Hyland Crest have developed a philosophy and mission statement. The following explanation by Hyland Crest administrator Karl Samuelson outlines the importance of these statements and what they contain.

Mr. Karl Samuelson, administrator of Hyland Crest Senior Citizen's Home in Minden, recently announced that the home has completed the development of a Philosophy and Mission statement. The philosophy describes the beliefs shared by all members of the organization while the mission statement consists of a written description of the organization and forms the basis for the development of organizational goals.

"The development of a concise and meaningful statement of mission has been an activity surprisingly neglected in the past by long term care organizations," said Samuelson. "Developing a mission statement is actually a process of clarifying and articulating the mission and beliefs by which the organization operates and, of course, ensuring that all those involved with the facility are aware of its purpose."

"There may be a public tendency to view long term care facilities, such as Homes for the Aged and Nursing Homes, as identical to each other, providing basically the same type of service under the same legislation," continued Mr. Samuelson, "however, each organization is unique and so is each community."

The mission statement project took approximately four weeks to complete and the participation and approval of both staff and members of the management committee is rewarding. The documents have been placed in a new policy manual, available in each department of the home.

"The project has proven to be a healthy, enlightening and positive experience for us all," concluded Mr. Samuelson. "The exercise has given an understanding of where we have been, where we are and where we hope to go in this organization. The development of our mission statement is a prerequisite for overall excellence at Hyland Crest."

Philosophy

The Committee of Management and Employees of Hyland Crest Senior Citizens' Home believe that:

- Each aged person has the same diverse physical, social, spiritual and economic needs that exist at any other stage of the life cycle.

- Each person is unique and should have their self respect, self esteem and dignity maintained.

- Each person has the

right to live in an environment which promotes personal independence, self reliance, freedom of choice and respect for another's person and beliefs.

- Each person has the right to courteous, fair and respectful care as well as appropriate medical, nursing and diagnostic assessment and treatment. At all times the residents right to confidentiality must be respected.

- A humanistic and holistic approach is essential for the provision of quality care services to the aged.

- A home-life environment, whereby the individual is provided the opportunity to pursue his or her former lifestyle, enhances the quality of life.

- The family must be recognized as an integral part of the resident's life.

- The facility must be perceived as an integral part of the County, whereby, mutual resources may be accessed.

- Employees should be aware of current physiological, emotional and social aspects of aging and avail of the opportunity for continuing education.

- The potential of residents, not limitations, should be emphasized.

- Where death is inevitable, the resident and family are entitled to supportive care and understanding.

Mission Statement

Hyland Crest Senior Citizens' Home is a 63 bed municipal Home for the Aged funded under the Homes for the Aged and Rest Homes Act. The home provides residential care services, extended care services and vacation care, subject to the availability of a suitable bed. Situated in the Village of Minden, Hyland Crest Senior Citizens' Home serves the elderly population of the County of Haliburton. Haliburton has the highest percentage of persons 65 years and over (approximately 17%) in the province of Ontario.

The purpose of the 62 bed facility is to provide a total and holistic approach to care in a home life environment, taking into consideration the individual needs and capabilities of each resident.

Hyland Crest Senior Citizens' Home endeavors to provide to its residents an atmosphere which promotes optimal levels of independent functioning, social interaction, sensory stimulation and a positive attitude toward aging. In so

doing, the management and staff work together to enhance the quality of life.

The Home provides to its residents both professional and support services.

- Direct resident care services include 24 hour/day nursing care and attending physicians on call. There are regular medical clinics scheduled throughout the week.

- Support services include dietary, maintenance, housekeeping, laundry, activities, accounting, pastoral care, hairdressing and barbering services. These services are essential to promoting the optimal

physical, social and spiritual well being of each resident.

- There is an active Auxiliary, whose human and financial resources enhance the funded services at Hyland Crest.

The Home does not provide treatment when major medical or surgical procedures are required. In such circumstances, residents are referred to more appropriate facilities. The Home will, however, do whatever is necessary and within its capabilities in an emergency situation.

The Home recognizes a common responsibility with other health and social

agencies to delivery health care to the County of Haliburton. The Home further recognizes the need to coordinate programs, services and resources in conjunction with other health and social service organizations to ensure all reasonable economy.

Goals

1. To promote quality of life for the aged.

2. To provide a holistic approach to care, recognizing the diverse physical, social, spiritual and economic needs of each individual.

3. To present aging as a

state of continued well being and growth.

4. To facilitate family involvement in the care of the resident.

5. To encourage inter-relationships with other health and social agencies thereby ensuring the availability of a continuum of care service.

6. To encourage and maintain a competent and dedicated staff through the provision of educational opportunities.

7. To strategically plan to meet the future challenges of providing quality care to an aging population.

Haliburton Veterinary Services

will be closed

December 24 - January 4 inclusive.

Emergency services only will be available.

Don't forget these people at Hyland Crest who are having birthdays soon. December 19 Arthur Young and Gordon Barr and on December 24, Lily Hogg who will be 91 years young. Annie Kernohan is a Christmas Day lady. Congratulations to you all.

We hear that Teresa (Cowen) and Allan Clements of Toronto have a new baby boy, a brother for Trevor.

A Belgian horse named "Billy" drawing a red cutter was spotted parked in front of Lorelea Country Inn last Tuesday afternoon. Murray Walker and Billy of Kushog Lake were visiting Ross and Gillian in "country style."

Sunday guests with Jean and Cliff Lacey were Mr. and Mrs. Bruce Lacey.

The community sends good wishes to Bev Forbes who is a patient in Toronto General Hospital in the Intensive Care Unit.

Next Saturday afternoon will be the draw by Santa at Valu-mart for the Lioness Club winners of a food hamper or a Yule Log or a Gingerbread House.

On behalf of the guides and leaders of Minden, they would like to thank Don Booth for the time he spent with them a few weeks ago. He volunteered to help the girls work on their Fire Safety badges. Fire safety is an important part of the children's learning and is especially important at this time of year with wood fires burning and Christmas trees being decorated in the home. On Saturday, December 13, the girls and their leaders, some mothers and volunteer grandmothers went to Hyland Crest Senior Citizen's Home to decorate a tree outside and to serve tea and cookies to the very special residents who have made their home at Hyland Crest. The Guides and Leaders wish everyone in the community a very Merry Christmas and a Happy New Year.

Sincere sympathy goes to the family and friends of the late Lester (Lett) Bain of West Guilford who passed away since last week.

Winners at the Anglican Church Euchre games last Thursday afternoon were, for lone hands on a cut, Pearl Cowen and others, Dorothy McElwain, Johann Beatte, Claire Brooks and Jack Weekes.

Christmas is not a time or a season, but a state of mind. To cherish peace and

goodwill, to be plenteous in mercy, is to have the real spirit of Christmas. If we think over these things, there will be born in us a Saviour and over us will shine a star, sending its gleam of hope to the world. Calvin Coolidge 1927

Our local Santa is a busy person. He will be at Valu-mart a good deal of the time next weekend. After that, early next week you may meet him as he gives out goodies on his visits around town, these courtesy of your Minden Rotary Club. I'm sure everyone appreciates the time and effort of this cheery person and many people know how kind he is, and what a great Santa!

Notice that the local taxi will be closed from 6 p.m. Christmas Eve to 8 p.m. December 27.

Sunday December 21 is St. Paul's Anglican Christmas Pageant and Dixie Lee dinner at Hyland Crest auditorium at 4 p.m. Everyone is invited and sign up for the dinner at St. Paul's Church. Other services are Holy Christmas Eve Eucharist at Hyland Crest 10 a.m. on December 24. Then Family Service of Solemn Eucharist Christmas Service at St. Paul's Church at 11:30, also on December 24.

Though you might be interested in this letter to the editor which appeared in last Sunday's Star. Mrs. Cocker was well known in our community as she worked in the Registry Office.

"As Christmas draws near we often think back to other years. I'm thinking of a little old lady who is a resident of the Leisure World Nursing Home on Midland Ave., in Toronto.

Our mother, Estelle Marie Cocker, was born in Pickering Township near Brougham, Ont. on July 20, 1883 and celebrated her 103rd birthday this year.

As a young girl of 16 she went to teach public school which was located on the Bobcaygeon Road, 12 miles north of Minden. It seemed like the end of the world. Her salary was \$225 per annum. She had students who were five years older

than she. I doubt there are many teachers still living who taught school 87 years ago.

Due to sight and hearing impairment, a lot passes her by, but she never spends a day in bed.

All our love to you from the teacher's pets.

Gladys M. Harrison Toronto

Hugh C. Gannon Oshawa."

Candle, Candle, burning bright,
On our windowsill tonight,
Like the shining Christmas star,
Guiding shepherds from afar,
Lead some weary traveller here
That they may share our Christmas cheer.

Isabel Shaw

senior league

by Pearl Lyle

Well readers, we have another dreary day. Brighter ones coming soon. The Girl Guides came and decorated our Christmas tree at the fountain yesterday afternoon, then sang some carols and served us lunch. It was very nice of them and we do say thank you girls.

Our services Sunday evening last was conducted by Rev. J. Burgess and Mrs. Burgess, and Tuesday morning by Rev. J. Fast of the Minden Gospel Church. We extend our sympathy to Ruby Lewis and her family in the passing away of her brother, Leslie Bain.

The Ladies of the Minden Women's Institute came with our Tea Party lunch on Thursday. It was delicious as usual. Mr. Reg Munns played the guitar and sang many nice old songs. We really enjoyed that very much. Thank you, do come again.

Winnie Barnum just tells me she got beaten 4 games of euchre in a row, last night. Better luck next time. The play put on by the kitchen staff, the nursing staff, the

laundry girls, the activities staff and the office staff. We must not forget our new Administrator and the many parts he played. Congratulations to them all. They were splendid.

Jean Taylor spent the weekend with her niece and attended a concert given by the Pentecostal Church people. A great many folk have come to me, to say I should mention the wonderful nativity scene here at Hyland Crest with a real baby and beautiful mother (Jill Brown) and Joseph whom we all know. The evening ended with refreshments and a big HO! HO! Earl Cooper and the Highland Dancers came on Wednesday night and entertained very well indeed.

"A soft answer turneth away wrath".

kid's korner

by Jean Lacey

Hi Kids!

Here is another puzzle for you with a word list. Look in the diagram of letters for the words given in the list. Find them by reading up, down, forward, backward and

diagonally. They are all in a straight line and do not skip letters. Circle the words in the diagram and cross it off in the list.

It's as easy as that. Have fun!

Johnny: Mum, can I have the turkey wishbone?

Mum: Not till you've eaten your greens.

Johnny: But Mum, I want to wish I won't have to eat them.

Q: What do lions sing at Christmas?

A: Jungle bells, jungle bells.

Q: Who brings the Christmas presents to the police?

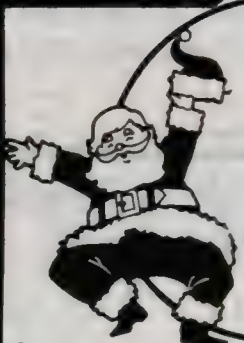

A: Santa Clues.

Lennie: Why don't you buy Christmas Seals?

Bennie: I don'tst know how to feed them.

Q: Where do all the good turkeys go when they die?

A: To ovens.

The Elementary Teachers of Haliburton County

wish the children and their parents a safe and Merry Christmas.

Branch 129 news

by Gerald Irish

The many Legion friends of bar steward Bernard Bain were shocked and saddened to learn of the sudden passing of his father. A legion service was held in Minden on Thursday night to pay our last respects to Bernie's father and to offer support to the family.

Congratulations to this week's 50-50 draw winner, Mrs. D. Parnell and to the winner of the beautiful oil painting done by George Cox, Murray Harvie.

Saturday's turkey roll was a huge success. There were

22 winners and everyone had a good time.

Last Friday, Joan and I were guests of the Cadet Corps at their first Christmas banquet. The politeness and graciousness of these young men and women made us very proud to be associated with them.

Plans are well under way for the Wintario draw to be held in Haliburton at the J. Douglas Hodgson Elementary School on January 15. This show and live telecast has been arranged through the combined efforts of your

legion and the Rotary Club.

The bingo this week is the annual Legion turkey bingo. The executive meeting is this Thursday at 7:30 p.m.

Zone news

The late fall meeting of Zone F4 of the Royal Canadian Legion was held in the Bobcaygeon Legion with 94 members in attendance.

The report given by Zone Commander Melvan Robertson of Haliburton, stated that our Zone is a very busy place. He commented on the fact that there was

representation from each of the 12 Legions in the zone, and then went on to say that many Legions were busy with improvements to their buildings, and that one Legion, Branch 129, Haliburton had finally got the go ahead to build senior housing. He noted that all were involved in community projects and were also proud of the support of their Ladies' Auxiliary.

The Deputy Zone Commander, Stan Moore, reported that he was very busy in his office, he had attended many functions throughout the Zone which he enjoyed very much. He thanked Comrade Melvan Robertson for his help and consideration and told the Legions he was honoured to have been included in their many events.

Reports were then presented by or on behalf of all the committee chairmen in our Zone.

Comrade Ken Bell, the Zone Chairman did an excellent job of keeping the meeting focused on the business at hand. The Zone Secretary, Comrade Mabel Brannigan and the Treasurer, Comrade Sylvia Sisson, both gave concise reports which showed that our affairs are in good hands.

The convention ended with a meal prepared and served by the Ladies Auxiliary of Branch 239, Bobcaygeon.

CHACE report

by Faith Aggett

It is wonderful how a community can rally round to support a cause. CHACE has enjoyed a warm welcome by the residents of Minden and we hope we can continue providing services to meet their needs.

The family resource centre and toy lending library has been busy since their doors opened in June. The various activities have been well attended and the setting has afforded a warm, relaxing drop-in for all ages.

The free drop-in babysitting on the three Friday evenings in December at the Minden CHACE is meant to be a bonus feature to parents shopping or participating in the specially planned Christmas events.

The CHACE Christmas Bazaar was enthusiastically attended. Many thanks to all those who led and attended the work bees to

make the various articles. We are also very grateful to all the town business people who donated items to support our fund raising.

The CHACE home day care program has boomed. As you may have read on last week's front page, there are now plans to extend to a day care centre. This is rather a large undertaking to provide a service which our community is indicating a need for. Funding from the Ministry of Community and Social Services will cover some of the costs but unless CHACE can realize considerably more in a limited time, our goal may be defeated.

Sometimes an organization trying hard to give something back to its community needs a little help to make its project a reality. Thanks Minden for your past support and a hope that we'll be able to struggle the odds of the future together.

Snow buntings arrive

- Federation of Ontario Naturalists -

Just before Christmas each year, flocks of "tiny white" birds arrive, to wheel and swirl in farm fields and open countryside.

Aptly named snow buntings, they're erotic ground finches, to whom 'balmy Ontario' is the southern wintering ground.

It's intriguing to watch a flock, and you'll certainly have the opportunity if you watch for them. The "Back-drop" is usually a windless morning when all seems hushed, almost eerie, in the soft winter sunlight. Suddenly, out of nowhere appears a flock of 10-400 twittering birds. They arrive in along, undulating formation, usually waist-high above the snow.

Alighting almost at once, the buntings literally run from one projecting plant stem to another, often leaping into the air to strip and devour the weed seeds. As a flock works the field, those in the rear rise up, wing forward and alight ahead of the others.

People are so struck by the flocks that they seldom get a good look at individual snow buntings. When they do, most are surprised both by the size (almost as large as a grosbeak) and that they not all pure white. The bunting's white head, breast and underside contrast strikingly with the black and white wings. Most birds also have an elaborate pattern of rusty brown areas which, together, make the bunting almost gaudy in appearance. Females have more brown - notably on top of their heads.

Snow buntings spend the summer throughout the Arctic, nesting on the tundra of Canada and Alaska, the Arctic islands, Greenland, Iceland and the USSR. Their nests wedged into any available cranny - under stones and rock piles or in cliffs - each pair raises a brood of 4-7 young.

Triggered by shortening

days, the buntings bumped their way southward into both North America and Eurasia, congregating into small feeding flocks as they moved.

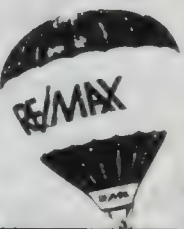

Many of the birds now making their debut in southern Ontario bred in Greenland. Following the Canadian coastline southward, they simply "turned right" at the mouth of the St. Lawrence and kept going. They have followed the waterway west to the "banana belt" along the Lake Ontario shoreline, when the lake's moderating effect melts enough snow to ensure a good supply of

emergent weeds.

Fields with cattle, horses, sheep or other livestock hold special appeal to the snow buntings for several reasons. First, the stock churns the snow exposing additional grasses. And secondly, hay and other fodder offers a positive feast of seeds blown across the snow's surface.

Snow bunting flocks will often return to such fields (and to fields with millet or other fine seed scattered atop the snow) day after day, all winter long.

So watch for the buntings this week over Christmas and get to know one of our arctic visitors.

CARD OF THANKS

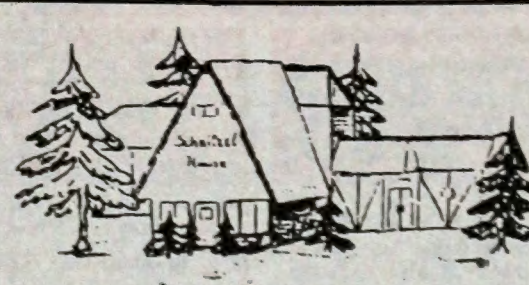

I wish to thank my family, relatives, friends and neighbours for the flowers, cards, telephone calls and visits while I was in the hospital. Special thanks to the Allore and Wilson families for the lovely fruit basket, the Claude Browns and Murray Hogg for transportation and my family for gifts, visits and transportation for my wife. Thanks also to Dr. Meade, and nurses and staff at St. Joseph's Hospital.
Edward McKelvey

Sincere thanks to those who assisted our daughter on Tuesday, December 9 when she was involved in an accident near Hart Lodge, the truck driver and the car driver who stopped - and special thanks to Harold Foyster of Wedgewood Marina for staying with her and looking after her.
Ann and Don Barker and Leanna

AT REST

HAMILTON
Robert (Bob)
- at his residence in Toronto on Monday, December 15, 1986 in his 74th year. Beloved husband of the late Hazel, dear father of Cathie Morelli of Toronto, loving grandfather of Jennifer. Brother of Alice Sedgwick, Bernice Francis and Len Hamilton. Memorial service from the Gordon A. Monk Funeral Home, Minden on Thursday, December 18, at 1:30 p.m. Cremation.

Homestead's Schnitzel House

December 25 - CLOSED
Reopen December 26 - 4 p.m.

New Year's Eve - December 31
11:30 a.m. - 9:00 p.m.
January 1 - Open 4 p.m.

IN MEMORIAM

LINDSAY: In loving memory of Wm. Lindsay who passed away December 16, 1980.
We Remember.
Wife Florence, children and grandchildren.

LONSBERRY: In loving memory of a dear husband and father who passed away December 15, 1985.
A million times I've needed you
A million times I've cried
If love could have saved you
You never would have died
When I'm sad and lonely
And everything goes wrong
I seem to hear your whisper
Cheer up and carry on
Everytime I see your picture
You seem to smile and say
Don't cry I'm only sleeping
We'll meet again someday.
Sadly missed by wife Marg and Family

In the Matter of Subsection 2 of Section 35 of the Assessment Act

Extension of Time for Return of Annual Assessment Rolls

in all Municipalities and Localities in Ontario

Pursuant to Section 35 of the Assessment Act, I hereby extend to the 5th day of February, 1987, the day upon which the assessment roll for the year 1986 is required to be returned pursuant to the provisions of the said Act in all municipalities and localities in Ontario.
And notice is hereby given that the final date for lodging a complaint with the Assessment Review Board in respect of any assessment contained in the assessment roll is the 26th day of February, 1987.

Hon. Robert F. Nixon
Minister of Revenue

Dated at Toronto
this 26th day of November, 1986.

CORPORATION OF THE TOWNSHIPS OF ANSON, HINDON AND MINDEN

NOTICE

(File No. 86-9A)

IN THE MATTER OF the Municipal Act; and IN THE MATTER OF a proposed By-law of the Corporation of the Townships of Anson, Hindon and Minden to stop up, close and convey to the adjoining landowners portions of the original allowance for road along the shore of Mountain Lake lying in front of Lot 5, Concession 8, in the Township of Minden.

NOTICE IS HEREBY GIVEN pursuant to Section 301 (1) (a) of the Municipal Act, R.S.O. 1980, as amended, that the Council of the Corporation of the Townships of Anson, Hindon and Minden proposes to consider and, if deemed advisable, to pass at its regular meeting to be held in the Municipal Council Chambers on Milne Street, Minden, Ontario, on January 8, 1987, at the hour of 10:00 a.m., a By-law to stop up, close and convey those parcels of land more particularly described as follows: -

Parts of the original allowance for road along the shore of Mountain Lake in front of Lot 5, Concession 8, in the Township of Minden; in the County of Haliburton, designated as Part 2 on a plan of survey deposited in the Registry Office for the Registry Division of Haliburton as Number 3660.

AND FURTHER TAKE NOTICE that before passing the said By-law at the meeting to be held at the time and place above-mentioned, the Council shall then and there hear in person or by his or her counsel, solicitor or agent, any person who claims that his or her land will be prejudicially affected by the said By-law and who applies to be heard.

DATED at the Township of Minden this 26th day of November, 1986.

(Ms.) B.A. Millar, A.M.C.T. (A),
Clerk-Treasurer,
P.O. Box 98,
Minden, Ontario.
